History
Clinton County is the most northern of the Champlain Valley counties and became a county March 7, 1788. Clinton County is bordered on the north by Canada, on the south by Essex County, on the east by Lake Champlain, and on the west by Franklin County. The county has approximately 21 towns and villages with the county seat in Plattsburgh.

Scope & Content
This collection contains exhibition catalogues, photo booklet of Lake Champlain, several articles and brochures and a map of French and English grants on Lake Champlain.
