Please save this sheet on disk and write in detailed answers to the following questions:

1. **Purpose of course.** Please summarize the purpose and goals of your proposed project.
2. **Preparatory work.** Please list relevant prior coursework including semesters, professors, final grades, papers and projects.
3. **Proposal.** On a separate sheet, discuss your proposal in greater detail. Include the questions you wish to address, and discuss why this study will be meaningful to you.
4. **Meeting schedule.** How frequently and for how long do you propose to meet with me during the semester? Please block out a provisional schedule for the term, including readings, stages of projects, due, etc.
5. **Projects.** Outline the kinds of projects you will undertake during the term (e.g., long research paper, list of studio projects, curation of exhibition, etc.)
6. **Public presentation.** Indicate how you will share your work with the university community (e.g., by public lecture, exhibition of own work with gallery talk, etc.)
7. **Evaluation.** Discuss your thoughts on how your work should be evaluated; i.e., on what basis should a final grade be determined?
